

68th Annual Atascosa County Livestock Show

January 10-14, 2022
Auction-Saturday, January 15, 2022

November 10, 2021

Dear ACLS Buyer:

Your historical support of the Atascosa County Livestock Show ("ACLS") has impacted the lives of these fine young people we on the 2022 Auction Committee care so much about. We believe in this program for the leadership, responsibility and skills that it teaches those students that choose to commit their time and effort. Words cannot adequately express our appreciation to you and all the other buyers that reward these young people and help instill in them the confidence that hard work leads to success.

We cordially invite you to the 68th Annual Atascosa County Livestock Show and Auction. The show begins on Monday, January 10th, and concludes on Friday, January 14th. A schedule of the entire show is posted on the ACLS website at www.aclsweb.org.

On Saturday, January 15th, buyer registration will begin at 8:00 AM. Buyers must pledge to contribute a minimum of \$500 to be granted entry and only two individuals will be granted access per registered buyer. A maximum of three people will be admitted with each currently existing school and 4H booster club organization. Exhibitors' consortium sheets will be organized by lot number and will be affixed to tables lining the perimeter of the show ring area. They will remain affixed to the tables until they are removed and taken to the auction assistant's table for tabulation approximately 20 lot numbers prior to the exhibitor's lot number. Bids from the floor during the sale must be equal to or exceed \$100.00.

We will provide the ability for remote buyers to contribute online. The minimum online contribution is \$25.00 and online contributors will be invoiced following the auction. Online contributions will not be included in the final sale amount announced by the auctioneer, nor will the online contributor's name be announced. The online contribution deadline will be Sunday, January 16th at 5:00 PM. There will also be an add on table with no minimum contribution available during the live auction.

The sale will commence at 10:00 AM with the Grand Champion animals selling first. The rules that govern the auction are available at www.aclsweb.org. Please understand that regardless of how many entities or individual buyers you represent and guaranty payment, no more than two individuals (including the guarantor) will be permitted to enter the buyer reception area and sale ring. If you have any questions regarding the forms, please contact Trace Blair at tblair@wigrum.com.

As a convenience, you may pay for your contributions at the Livestock Office inside the showbarn at any time on Saturday during or immediately after the auction. We will invoice you for any remaining balance, requesting full payment in February.

We look forward to seeing you there, and on behalf of the youth of our county, and all of us that care about their future, thank you for your continued support and understanding as we do our best to provide a safe atmosphere for all involved.

Sincerely,

Atascosa County Livestock Show 2022 Auction Committee
